

## Welcome!

Thank you for selecting Colorado Skating Club! We are thrilled to welcome you into our skating family and also United States Figure Skating. Our club's rich history began in 1972 nurturing skating excellence with a spirit of camaraderie, discipline, dedication and good sportsmanship. Colorado Skating Club has included internationally recognized skating champions and members Scott Hamilton, Dorothy Hamill and Paul Wylie. Whether your road begins with learn to skate or as an

adult beginner or you are already a recreational/competitive skater or skating professional.. we look forward to sharing our knowledge, experience and opportunities with you!

Within this membership packet you'll find forms to join or renew your membership for the year 2010 - 2011. The brochure outlines the various memberships offered. Please be sure to complete an application for each renewal. Our fiscal year begins July 1, 2010. We encourage you to return your forms promptly and make checks payable to Colorado Skating Club. If you have any questions, our board member Amy Wise is often at the rink and happy to assist you! Her email address is [amywise@me.com](mailto:amywise@me.com).

As a Colorado Skating Club member you will be receiving SKATING magazine, a publication of USFSA, frequent communication via email blasts from the Colorado Skating Club, test certificates from USFSA for tests passed, the Colorado Skating Club directory and other important documents. Please be sure to fill out all of the information on this membership form clearly and completely. Name, address, city-state-zip, gender, citizenship and date of birth are critical fields and are a requirement of USFSA. Should you have a change of address (mailing or email) please be sure to let us know so that we may make the proper adjustments. We want to make sure that each and every member receives all communication!

We ask each CSC member to sign a waiver You will see this liability waiver and media release within the membership application. This request stems from advisement from USFSA. The print and electronic media waiver must be completed for names and images to appear in any CSC publication or on the CSC website. Please complete one waiver for each adult membership and one for minor children, signed by an adult. CSC membership will be granted once these forms are signed and returned.

Judges and coaches who teach students at one of the South Suburban Parks and Recreation facilities may join or renew a membership with Colorado Skating Club. Fees and dues will be paid for by CSC, but please make sure your forms are filled out, signed and returned for each fiscal year (July 1 - June 30).

Our year kicks off with our competition in August, Cup of Colorado, followed by exhibitions, club ice events, seminars, our annual banquet and Showtime on Ice. The key to a successful club is member involvement. We have several committees for you to choose from. We invite you to share your time and talent with our club. We are excited to get to know and work with you! Check out our club website, [coloradoskatingclub.net](http://coloradoskatingclub.net) for a complete list of committees, a list of our club officers (and contact information), competition information and much much more!!!

See you soon and welcome!!!
